

Wimberley Institute of Cultures
P O Box 167
Wimberley, Texas 78676

December 2010

Dear Member(s) of the Wimberley Institute of Cultures,

It is time to renew your membership in the Wimberley Institute of Cultures for **2011**. Our organization was formed to research and then educate the public about the natural and cultural history of the Wimberley Valley. Your generous support will help us continue important projects such as the ongoing care and operation of the Winters-Wimberley House, the Fourth Grade History Program, informative photo exhibits, the collection and preservation of historic photographs and documents, the Lecture Series, and our next major restoration project, the Zach Wimberley House. These worthy projects, as well as several fun-filled social events, help to make the Wimberley Institute of Cultures a beneficial and enjoyable organization. We invite you to join us in these exciting endeavors during 2011.

Please complete the membership form below, clip and mail it, along with your check, to the address listed. Please renew on or before **12/31/10**, if possible. (Annual Membership is Jan. – Dec.) Contact me if you have any questions. Thank you.

Jane Little
Vice President for Membership
